J.L. Fisher facility tour

12:00 pm

Provided by Jim Fisher

Due to the attendance growth over the years (from a few hundred to over 1700 just last year), we will be starting to hand out lunch tickets to the attendees. These tickets will be handed out by all of the exhibitors including J.L. Fisher, Inc. along with the ASC, SOC, ICG & Local 80 and 695. Please, one lunch per attendee. We are sorry, but in order to reduce the attendance to a safe 1,500, we have to start slowly making changes. We are starting with lunch. We thank you for understanding.
